October the 30th 2018: EPOS ERIC granted by the European Commission

Monday, April 15, 2019 to Thursday, December 31, 2020

The European Commission has adopted the EPOS ERIC implementing decision.

EPOS is the 20th ERIC established in Europe.

The EC news alert can be found here.

This is a fundamental achievement of the EPOS Implementation Phase and a great success for the EPOS Community.
