[EPOS @EGU2019 in Vienna, 07-12 April 2019](#)

Sunday, April 7, 2019 to Friday, April 12, 2019

Location:

Vienna, Austria

EPOS will participate at the European Geosciences Union General Assembly 2019 that will be held at the Austria Center Vienna (ACV) in the city of Vienna, Austria, from 7-12 April 2019.

EPOS will contribute to the organization of two sessions:

- ESS12.6 Communities, tools and policies for integrated Earth and Space Science (e)infrastructures (co-sponsored by AGU) Convener: Lesley Wyborn | Co-Conveners: Ari Asmi, Massimo Cocco, Mohan Ramamurthy
- ESS12.7 Towards Global Networks of Trusted Repositories for Solid Earth and Environmental Data, Software, and Samples, Convener: Kerstin Lehnert | Co-Conveners: Helen Glaves, Florian Haslinger, Lesley Wyborn

EPOS invites scientists, research infrastructures, e-Infrastructure providers, ICT experts, managers, and communicators involved in activities for implementing data and service provision of relevance for solid Earth science to submit contributions.

Abstract submission deadline: the 10th of January 2019, 13:00 CET.

EPOS visibility throughout the event will furthermore be ensured through the dedicated **exhibit booth #112-113**, in which EPOS team will disseminate updated information about the service implementation and data provision, as well as will distribute booklets and flyers to visitors, but also nice EPOS gadgets. The EPOS community expects to provide demo presentations in the booth concerning the Integrated and Thematic Core Services ([ICS](#), [TCS](#)).

The meeting programme will be available on February the 19th, 2019.
