

EPOS @ BEERi virtual meeting, 19 May 2020

Date:

Tuesday, May 19, 2020 - 16:15

The EPOS representatives attended today, Tuesday 19th May 2020, the 14th BEERi meeting, which has been organized by the ENVRI community as a 2-hour virtual meeting.

BEERi, Board of European Environmental Research infrastructures, is an advisory panel consisting of senior representatives (research infrastructure directors or coordinators) from the environmental domain research infrastructures.

The meeting agenda concerned discussions on the following topics:

- INFRAEOSC-07-2020 call
- ENVRI input to Horizon Europe Missions
- Communications updates (events + ENVRI community response to COVID-19).
