

The banner features a central image of Earth from space with blue energy-like lines radiating from it. To the right, the text 'Virtual Conference' is written in a large, light green font. Below this, 'GeoUtrecht 2020' is written in a bold orange font, followed by '24-26 August 2020 | Utrecht | The Netherlands' in a smaller blue font. There are two buttons: 'Join the DGGV' in a red box and 'Join the KNGMG' in a green box. Below these are social media icons for Facebook, Twitter, and LinkedIn. A row of logos includes 'EARTH! Treasures Threats Transitions', 'DGGV Deutsche Geographische Gesellschaft Geographische Vereinigung', 'KNGMG', and 'Universiteit Utrecht'. At the bottom is a navigation bar with buttons for 'About', 'Conference', 'Call for Abstracts', 'Registration', 'Deadlines' (highlighted in orange), and 'Information'.

Aug 23

[EPOS @GeoUtrecht2020 virtual conference, 23-26 August 2020](#)

Sunday, August 23, 2020 to Wednesday, August 26, 2020

Location:

virtual conference

The [GeoUtrecht 2020 conference](#) will be held remotely on 23-26th of August 2020.

There will be two types of presentations, plenary keynote talks (40 min) and session talks (20 min), all to be presented live (ie no pre-recordings or videos).

Allocated time for speakers is distributed equally between live presentation and interactive moderated discussion. For further details on the new format and joining instructions see the conference website.

The EPOS [ERIC](#) Executive Director Massimo Cocco will attend the conference presenting the **Plenary Keynote Talk: *Sharing scientific data and products in solid Earth sciences: the EPOS (European Plate Observing System) research infrastructure experience.*** Moderators: Ronald Pijenburg & Kirsten Elger

The deadline for registration is: 13 August 2020.

More information about the programme and the registration at the [GeoUtrecht2020 virtual conference website](#).
