

EPOS @ InRoad Regional Workshop, Rome, 27-28 November 2017

Date:

Tuesday, November 28, 2017 - 12:15

EPOS has been invited to attend the 2nd InRoad Technical Workshop: *National Funding: build awareness on policy perspectives* that took place at the National Research Council of Italy (CNR) in Rome, the 27th and 28th of November 2017.

During the 3rd panel: Dialogue with Individual RIs Monitoring and Life-cycle development on November 28th EPOS has been presented.

The workshop brought together Italian and Foreign experts with different involvement in research infrastructures stimulating a reflection on national funding role and other sources and funding instruments presenting experiences to accelerate high-level research and scientific discovery to meet breakthrough innovation.
